A Constipation Remedy Free

There is no action of your daily that your bowels move. They should move at least once a day naturally, and by that is meant without any help. If they do not move at least once a day you can consider yourself constipated and it is time you did some-

thing about it.

You will be glad to know there
is a way out of the difficulty. Lemuel Landerdale, an old soldier at Quincy,
III., Elmer McMillan, of Speed, Mo., Mrs.
Monahan, of Stonewall, Miss., and many others were as you are now. But one day they awoke to the fact that Dr. Caldwell's Syrup Pepsin was curing their friends, so they bought it too and it cared them. Today they are loud in praise of it.

cared them. Today they are loud in praise of it.

What Dr. Caldwell's Syrup Pepsin did for them it should do for you. Surely your constipation is no worse than theirs, one of whom had it since '61. It only remains for you to realize that salts are of but temporary good, and what you want is a permanent cure; that purgative tablets, cathartic pills and such violent things make a great show of doing something, but do nothing that is lasting. Dr. Caldwell's Syrup Pepsin is a scientific preparation, a laxative-tonic, a mild syrupy flouid that contains ingredients that not only cure the constipation, but tone the intestinal muscles so that they learn again to work without help. A bottle can be bought of any druggist for the small price of 50 cents, and there is a dollar size for families who have already found out its wonderful value in stomach, liver and bowel troubles, in old or young. Send your name and address to the doctor and a free trial bottle will be sent you so that you can test it before buying. If there is anything about your ailment that you don't

Mr. and Mrs. Walter S. Owen of Brunswick, formerly of Key. esville, are rejoicing over the arrival of a lovely little daughat their home Tuesday, August 31. Walt says she is the sweetest thing in the English language.

We learn from the Bee that H. B. Tregent has sold his residence property in Rothville Ito J. S. Carpenter, and Mr. and Mrs. Carpenter will move to that town and make their future home. Mr. Tregent will build a new home in the west part of Rothville.

We see by the Star that Will Watterson, Jr.,, of Sumner went to Pattonsburg the other day and caused the arrest of the dago who flim-flammed Station Agent Wanamaker out of something like \$25. The Italian was released after ho had paid fover the money with the costs.

The Constitution Itells its readers that Homer Fletcher, the 10year-old son of Mr. and Mrs. R. F. Fletcher of Mendon, has made quite a record this season shooting frogs. He passed the Constitution office with 40 which he had killed Monday, which made an even 2,000 he had killed this season, which is certainly quite a record for a lad of his age.

The Democrat says that Mrs. George Ireland of Salisbury, who has been quite sick sfor several days, much to the delight of her friends, is reported improving. The Democrat makes it plain that Mrs. Ireland's tor could get there. friends are "delighted," and the COURIER takes it for granted it is because she is improving and not because she is quite sick as the Democrat states.

A Bold Step.

ligent to the use of secret, medicinal compounds, Dr. R. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering in the composition of his widely celebrated inclicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret most of doubtful marits and nostreme of doubtful merits, and made them Remedies of Known Composition emedies of Known Composition, By this bold step Dr. Pierce has shown that his formulas are of such excellence that his formulas are of such excellence that he is not afraid to subject them to the fullest Scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Golden Medical Discovery, the famous medicine for weak stomach, pid liver or biliousness and all catarrhal diseases wherever located, have printed upon it, in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in the strongest possible terms, each and every ingredient contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents ciones contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents and that they are made from native, medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, "run-down," nervous and debilitated women, were employed, long years ago, by the Indians for similar aliments affecting their squaws. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription was known to the Indians as "Squaw-Weed." Our knowledge of the uses of not a few of our most valuable native, medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteversion and retorversion, overcoming painful periods, toning up the perves and bringing about a perfect state of tealth.
